

Schoolhouse Rock Live! Character Breakdown

Mr. Morton: The idealistic young teacher and hero of our story. He is nervous about his first day of teaching, yet gradually becomes more at ease as the show continues.

George: A marvelous character role. George in particular is a calming presence and excellent cheerleader for Tom. He is caring and in control.

Dori: This actress needs to be a strong singer who can lead the entire ensemble. She is the goofiest of the gang, often acting silly and being playful.

Shulie: Sweet and genuine and likable character actor.

Joe: Definitely one cool kid. He's laid back and fun-loving.

Dina: Mature, thoughtful, and grounded and should be a good, strong singer.

Phil: A great role for a fantastic character actor.

Janet: A good featured role for a great singer and actor with lots of personality!

Ensemble: Good actors, singers, and dancers who can support the group in telling the story! Each ensemble member should have their own quirky personality to help energize and keep the story moving!
